Tableau

Languages

Fluency in English and French, Laga (my native language), and Learning Spanish

Work History Continue

Jan. - Oct. 2016 & Feb. - May 2017	Data Administrator <i>NewNet Services, Missoula, Montana</i> Used SQL to write queries, to modify and to update telecommunication companies' data. Trained newly hired workers to use AutoCAD Map3d engineering software and assisted clients.
Oct. 2015 - Mar. 2016	Project Intern <i>DataSmart Solutions, DSS, Missoula, Montana</i> <ul style="list-style-type: none">Analyzed consumer data, using SQL and R, under the direction of the DSS Analytic Scientist. Loaded data into DSS's proprietary data base. Maintained DSS Benchmarking / Reporting. Maintained proper procedures for dealing with Personal Health Information (PHI) and followed Health Insurance Portability and Accountability Acts (HIPAA) guidelines and rules. Supported submission of articles for professional journals. Completed classes in Information Systems, Data Analysis, Healthcare Informatics, and Project Management. Managed few projects using Scrum.Co-publication of whitepaper: "Health-Based Consumer Analytics: Bending Trend by Design, Not by Chance" by Damon Shepherd MS, Guedem Dara MA, Caitlin Swift MA, and Mary Kay Bogumill PhD. Predictive Modeling News. Volume 9, Number 2. February 2016. Link to the white paper.
May 2008 - Aug. 2018	University of Montana, Missoula, Montana
Period between jobs:	Concurrently reviewed my Economics and Data Analytics UM courses, improved (Stata, R, SQL) and learned new skills (Power BI & more from Udemy) while waiting on work permit. 2018-09 – 2021-10.
Student Summer Jobs	<i>at UM Residence Life, custodian:</i> 2008-05 – 2010-08. <i>Painter:</i> 2011-05 – 2018-08.
Student Administrator	<i>at UM Dining, 2014-09- 2018-05.</i> Researched and compared meal plan offerings and costs at 100 competing universities, gathered data in Excel to create a report for operational planning purposes of the Director and Meal Plan Specialist.
Mathematics Lab Assistant	<i>at the Department of Mathematical Sciences, 2013-10 - 2014-05.</i> Managed student appointment sign-in, laboratory computer protection and answered students' technical questions
	(In person and via email) regarding R statistical computing software and printing. Teaching Assistant <i>at the Department of Economics, 2013-10 - 2014-05.</i> Helped an Assistant Professor with homework grading and grade entry into Blackboard, ensuring accuracy and fairness of grades by constantly communicating with the professor. House Manager <i>at the International House, UM, 2010-08 - 2012-08.</i> Cooperated with international and domestic students, faculty, and community members to plan and set up social events to promote culture, international friendship, diversity, and acceptance.
